

CDE Basics Clinic
Fundraiser for Katydid CDE
March 5th
Katydid Farm
8am – Noon

Open to the combined driving newbie to the preliminary driver who wants more information. You do not have to be a participant in the next day's event to take part. Coffee and donuts during early morning discussion on planning your day at the event ... Top Ten Broken Rules to watch for ... Scoreboard comprehension 101 ... and more. Video and discussion on what the judge is looking for during your dressage test with Shelly Temple (who is the judge for the March 6th Katydid HDT). Then learn dressage ring geometry with judge Nancy Tomlinson. Get the competitive edge by walking cones with an advanced level driver – and then hazards with experienced Int'l drivers who are all donating their time. Preliminary and Training level will be in separate groups so that each division's particulars can be of primary focus.

Participant Fee is \$55.00
